

ENCORE LOTTERY GAME CONDITIONS

These Game Conditions apply, until amended or revised, to the ENCORE lottery game.

1.0 Rules

- 1.1 ENCORE is also governed by the Rules Respecting Lottery Games of the Ontario Lottery and Gaming Corporation (the "Corporation").
- 1.2 Words used in the ENCORE Game Conditions which are also used in the Rules Respecting Lottery Games shall have the same meaning as those used in the Rules Respecting Lottery Games.

2.0 Interpretation

In these Game Conditions,

"ENCORE number" means the player's 7-digit number which is computer generated by the on-line system, ranging from 0000000 to 9999999, and printed on the front of the ticket for that draw(s);

"host game" means any of the on-line lottery games operated by the Interprovincial Lottery Corporation or the Corporation which the Corporation designates as a host game for ENCORE; the game conditions for the applicable host game will be in full force and effect in respect of that host game (in addition to these Game Conditions in respect of the ENCORE game).

3.0 Game participation

- 3.1 A player participates by selecting a host game to play, then adding the ENCORE game and paying the price for the host and ENCORE game. ENCORE may only be purchased with a host game, although a promotional ENCORE ticket may be issued that may not include a host game selection. A 7-digit ENCORE number and the word "PLAYED" will be displayed on all such host game tickets, when ENCORE is played.
- 3.2 A player may play one or more ENCORE number(s). A player cannot select his/her own ENCORE number.
- 3.3 Where ENCORE is PLAYED, the ENCORE number is valid only for those ENCORE draw date(s) as the host game's draw date(s) for which the ticket is valid.
- 3.4 In the case of a Repurchase Play host game ticket, the ENCORE number(s) may be different from the previously played ticket.
- 3.5 Advance Play is also available.

4.0 The Draw

On or about the designated date and time for the ENCORE draw, the Corporation shall draw at random a 7-digit number ("winning number"), in specific order from 0000000 to 9999999 inclusive. The ENCORE draw applies to all host games.
