

<b>00:08</b>	Kathleen	You know, since the casino was first opened, I think back in '99,
<b>00:13</b>	<b>SUPER</b>	Kathleen Devine Senior Municipal Relations Manager
<b>00:13</b>	Kathleen	the city of Brantford has received just over \$97 million from OLG. And it's all about making life better for people. And we do this with 100% of our profits being reinvested back into the province. We are bringing home the win with the city of Brantford.
<b>00:30</b>	<b>SUPER</b>	Mayor Kevin Davis City of Brantford
<b>00:30</b>	Kevin	It's a tremendous positive impact on our community in many different ways. It has made possible Laurier Brantford. It has helped fund various improvements to our hospital. Some of it was used to improve the 60-year-old old arena we're in right now. Some of the fantastic other buildings we have in the downtown now, like the Y, wouldn't have happened without casino proceeds. When I think back, I look back over 23 years, it is absolutely amazing.
<b>01:05</b>	Anne Marie	OLG provides unbelievable funding to the city of Brantford.
<b>1:08</b>	<b>SUPER</b>	Anne Marie Pierce Executive Director – Brant Community Foundation
<b>01:11</b>	Anne Marie	It's a really vital grant. It's an essential grant. And so, the city of Brantford and OLG should feel really proud of what they've accomplished.
<b>01:21</b>	<b>SUPER</b>	Conan O'Brien Manager, Communications & Stakeholder Engagement GREAT CANADIAN ENTERTAINMENT
<b>01:21</b>	Conan	I think those host community payments are a bit of a secret to regular folks around the community. So, hearing about them and hearing about all the charities, the local community groups, and not-for-profits that benefit as a result of those payments, I think is an amazing thing for the community.
<b>01:39</b>	Kathleen	So, I spoke today of the Quest for Gold program. That is one of the ways that OLG brings home the win.
<b>1:46</b>	<b>SUPER</b>	Jocelyne Larocque Canadian Olympic Gold and Silver medalist National Women's Hockey Team
<b>01:46</b>	Jocelyne	You know, Quest for Gold has helped athletes like myself, Olympic athletes, Olympic hopeful athletes, all across Ontario. It's helped us financially, and it also has helped us with, you know, various opportunities. So, I just feel very privileged and honored to be a part of the program. You know, we appreciate the support so much and it helps us, you know, push for our dreams, work hard towards our dreams, and the support that we get from OLG has been phenomenal.

**OLG Brantford CRP**
