†Prize Payout is the theoretical payout percentage based on the dollar amount of all cash prizes (excluding the value of free tickets) offered within an INSTANT Lottery Game at the time that the Game is launched, and assuming all tickets for that Game are purchased (excluding free ticket prizes used for purchases) and all cash prizes are claimed. The final Prize Payout for an INSTANT Lottery Game is determined when a Game is ended, and is based on the actual number of tickets that were purchased with cash by consumers and the total value of the cash prizes claimed.

The sale of lottery tickets to persons under 18 years of age is prohibited by law. Lottery prizes will not be paid to anyone under 18 years of age.

In the event of a conflict between any of the information above and the information in OLG's central computer system, the latter shall govern.
