

1

00:00:05,280 --> 00:00:08,440

As you probably know, the object of the game is to be the first

2

00:00:08,440 --> 00:00:14,960

person to fill in a specific pattern of letters and numbers on the bingo card.

3

00:00:14,960 --> 00:00:21,320

What you may not know is that there can be different patterns with which you can win.

4

00:00:21,320 --> 00:00:27,800

Each bingo card has 25 squares on it, each containing a number between 1 and 75. Plus,

5

00:00:27,800 --> 00:00:34,960

one free space in the center. At the top

of each line are the letters...B-I-N-G-O

6

00:00:35,640 --> 00:00:39,600

Bingo is often played with a Bingo Book,  
which is multiple sheets of bingo cards

7

00:00:39,600 --> 00:00:45,480

bound together to be played in a single session.  
BINGO includes being able to play paper bingo and

8

00:00:45,480 --> 00:00:52,240

electronic bingo. You can play one or both  
styles when you play. Just keep in mind,

9

00:00:52,240 --> 00:00:57,400

if you're gonna play more, you're gonna pay more!  
When you arrive at one of the Charitable Gaming

10

00:00:57,400 --> 00:01:02,480

Centres, make sure you ask a Customer Service  
Representative for a 'session program'. This

11

00:01:02,480 --> 00:01:05,760

is a guide to help you keep track of  
the games that will be played on that

12

00:01:05,760 --> 00:01:11,520

day and, the patterns required to win.

There are two main prizes you can win:

13

00:01:11,520 --> 00:01:17,360

“fixed prizes” and “progressive prizes.”

A ‘Fixed Prize’ is a set prize amount that

14

00:01:17,360 --> 00:01:23,040

can be won by a single winner or split amongst  
multiple winners at the end of every game.

15

00:01:23,040 --> 00:01:28,360

As for ‘Progressive Jackpots’, these are  
prizes that grow each time a game is played.

16

00:01:28,360 --> 00:01:35,280

If no one wins the progressive jackpot it gets rolled into the next time the game is played.

17

00:01:35,280 --> 00:01:40,120

Last, but not least, you'll need to use a dauber.

As the numbers are called out as a number letter

18

00:01:40,120 --> 00:01:49,000

combination, you will mark the cards.

NOW you're ready to head to any one of

19

00:01:49,000 --> 00:01:58,400

the Charitable Gaming Centers

to dab fast & play smart!
