

00:00:00.626,00:00:03.295
Introducing the new Lotto 6/49,

00:00:03.295,00:00:06.506
with two big jackpots
to be won on one ticket!

00:00:06.506,00:00:08.926
For the same \$3,
you'll have more chances

00:00:08.926,00:00:10.594
of winning big with
the Classic Draw

00:00:10.594,00:00:12.095
and the Gold Ball Draw!

00:00:12.095,00:00:16.308
Lotto 6/49 draws will continue
every Wednesday and Saturday.

00:00:16.308,00:00:17.309
True to its name,

00:00:17.309,00:00:20.687
the Classic Draw is the
Lotto 6/49 you know and love.

00:00:20.687,00:00:23.941
It's played the same way with
6 numbers from 1 to 49.

00:00:23.941,00:00:25.776
As usual,
you'll be able to ask

00:00:25.776,00:00:29.279
for a quick pick or
select your own numbers.

00:00:29.279,00:00:31.281
The odds of winning
remain the same.

00:00:31.281,00:00:33.659
What's different is the
Classic Draw jackpot,

00:00:33.659,00:00:37.037

which is now set at
\$5 Million for every draw.

00:00:37.037,00:00:40.540

The biggest change is the
Gold Ball Draw growing jackpot.

00:00:40.540,00:00:41.708

Like the current game,

00:00:41.708,00:00:44.711

every ticket will come with
a unique 10-digit number.

00:00:44.711,00:00:46.505

With this Gold Ball Draw number,

00:00:46.505,00:00:48.966

you'll have the chance
to win \$1 Million

00:00:48.966,00:00:52.761

or the Gold Ball Jackpot,
which starts at \$10 Million

00:00:52.761,00:00:55.055

and can go over \$60 Million.

00:00:55.055,00:00:56.056

The best part?

00:00:56.056,00:00:59.184

It's a guaranteed prize, so
there will always be a winner.

00:00:59.184,00:01:01.853

Here's how we find out
which prize is won.

00:01:01.853,00:01:04.564

Imagine there are 30 balls
in a draw machine,

00:01:04.564,00:01:07.651

29 of them are white
and worth \$1 Million,

00:01:07.651,00:01:10.779
and only 1 is gold
and worth \$10 Million.

00:01:10.779,00:01:13.782
If a white ball is drawn,
the player wins \$1 Million,

00:01:13.782,00:01:15.075
and the ball is removed.

00:01:15.075,00:01:17.619
That means there's one less ball
during the next draw

00:01:17.619,00:01:20.914
and the odds of the Gold Ball
Jackpot being won increase.

00:01:20.914,00:01:22.499
Every time a
white ball is drawn,

00:01:22.499,00:01:24.626
the Gold Ball Jackpot
also increases

00:01:24.626,00:01:27.170
by \$2 million for the next draw.

00:01:27.170,00:01:28.547
When the Gold Ball is drawn,

00:01:28.547,00:01:31.008
the winner takes home
the big jackpot!

00:01:31.008,00:01:32.884
All 30 balls are then
put back in,

00:01:32.884,00:01:35.846
the Gold Ball Jackpot resets
at \$10 Million,

00:01:35.846,00:01:37.472
and a new round begins.

00:01:37.472,00:01:40.934

You can still choose to play
Ontario 49 and ENCORE.

00:01:40.934,00:01:43.520
