Today we’re going to learn how to play Watch ‘N Win.

Text on screen:

PLAYSMART TIP: Each ticket provides two chances to win: in-store and with the nightly draw.

Voiceover:

Watch ‘N Win is the best of both worlds. It gives you two ways to play by combining the fun of an instant in-store game, with the excitement of a nightly draw that follows.

Text on screen:

There are 9 possible winning combinations, with a top prize of \$7,500. Before you play, there's just one more thing to remember:

Text on screen:

PLAYSMART TIP: WATCHN 'N WIN games are based on randomness. No store or machine can be 'due' for a win.

Voiceover:

Instant win games are based on randomness and chance. There's no skill involved and no machine or store can be "due" for a win. Something to keep in mind as you play.

Text on screen:

PLAYSMART TIP: Don't throw out your ticket before checking the nightly draw.

Voiceover:

The nightly draw is at 10:30 PM Eastern Time. Also, don't forget to check online for all the winning combinations. And always sign your ticket.

Video:

Shows a phone with the OLG Lotto App opened and ready to scan a ticket.

Voiceover:

That's it. You're ready to go have fun and play smart.
