

PICK-3 LOTTERY GAME CONDITIONS

These Game Conditions apply, until amended or revised, to the PICK-3 lottery game.

1.0 Rules

- 1.1 PICK-3 is governed by the Rules Respecting Lottery Games of the Ontario Lottery and Gaming Corporation (the "Corporation") which are available upon request and which include limitations of liability.
- 1.2 Words used in the PICK-3 Game Conditions which are used in the Rules Respecting Lottery Games shall have the same meaning as those used in the Rules Respecting Lottery Games.

2.0 Game Participation

- 2.1 A player may play one or more selections. For each selection the player shall select:
 - (a) A 3-digit number from 000 to 999 inclusive;
 - (b) Box Play or Straight Play for the 3-digit number selected;
 - (c) The amount to wager from \$1.00, \$2.00, \$5.00, \$10.00, or at the discretion of the Corporation.
- 2.2 A "Straight Play" means the selection by a player of a 3-digit number to be played in exact order from left to right, such that a Straight Play selection is eligible for a Straight Play prize if the 3-digit number the player has selected is identical to the 3-digit winning number drawn and in the same order from left to right.
- 2.3 A "Box Play" means the selection by a player of a 3-digit number to be played in any order, such that a Box Play selection is eligible to a Box Play prize if the three digits of the winning number are identical to the 3-digit number the player has selected, regardless of the order of the number selected and drawn.
- 2.4 Selection of a 3-digit number using the same digit three times (e.g. 000, 111, 222) is valid for a Straight Play only.
- 2.5 Quick Pick, Advance Play, Repurchase Play and Slipless Play are also available.

3.0 The Draw

Unless otherwise announced by the Corporation, on every day from Monday to Sunday, twice a day, inclusive, the Corporation shall draw at random a 3-digit number ("winning number"), in specific order from 000 to 999 inclusive. The numbers drawn in the afternoon (at approximately 2:00 p.m. Eastern Time) will be the "winning number" for the MIDDAY draw. The numbers drawn in the evening (at approximately 10:30 p.m. Eastern Time) will be the "winning number" for the EVENING draw.

4.0 Prize Structure

- 4.1 The "prize pool" for any draw means one-half of the dollar value of all valid tickets issued by the Corporation for that draw.
- 4.2 With respect to any draw, where the selection matches the winning number drawn, the winner is entitled to one and only one of the following prizes for each \$1.00 played on the draw, depending on the play type selected.
 - (a) A player is a winner of a Straight Play prize if the 3-digit number selected by the player as a Straight Play selection matches the 3-digit winning number drawn identically and in the same order.
 - (b) A player is a winner of a Box Play prize if the 3-digit number selected by the player as a Box Play selection comprises either 3 unique digits or two identical and one unique digit, and the 3-digit number selected by the player exactly matches the 3-digit winning number drawn in any order.
- 4.3 The amount of the Straight Play and Box Play prizes depends on the number of winning shares (based on a \$1.00 wager), and the number of unique digits drawn. The prize amounts are calculated as follows:

Winning Number Drawn	Straight Play	Box Play	Approximate Odds of Winning
Three digits are identical (e.g. 000, 111, 222, etc.)	$\frac{\text{Prize Pool}}{\text{Number of Winning Shares}}$	Not Applicable	1 in 1,000
Two of the three digits are identical and the remaining one digit is unique and different (e.g. 010, 223, 455, etc.)	3 x Box Play prize	$\frac{\text{Prize Pool}}{\text{Number of Box Play winning shares} + (3 \times \text{number of Straight Play winning shares})}$	1 in 333
Three digits of the winning number are unique and different (e.g. 123, 246, 978 etc)	6 x Box Play prize	$\frac{\text{Prize Pool}}{\text{Number of Box Play winning shares} + (6 \times \text{number of Straight Play winning shares})}$	1 in 167

5.0 Miscellaneous

- 5.1 The Corporation may amend these Game Conditions at any time and in any manner.
